Dear Community Partner,

The RHS Music Department has many exciting performances planned this year. The Wolf Pack Vanguard will perform in half-time shows at football games, participate in state and local marching competitions, and proudly strut in the Bakersfield Christmas Parade. Our Jazz Band and String Orchestra will be heard entertaining audiences at assisted living residences and civic organizations. Chamber Singers still sing around the circuit, and our Drumline continues to set the groove in springtime. We anticipate a busy year as Ridgeview seeks to enhance our reputation for success and excellence among high school music programs in Kern County.

We are asking for your help as we work to raise funds in order to cover anticipated cost of instruments, music, uniforms, travel, and other related expenses. Please review the accompanying sponsorship form and donate as generously as you can. Your generous contribution to the Ridgeview Music Booster Club is tax deductible, donation letters available upon request.

We are most excited about sponsoring a marching competition. Our 7th annual Ridgeview Wolf Pack Fall Marching Classic, "The Howl!" will be on October 27, 2018. Junior and senior high school bands from throughout Kern County will participate in what promises to be another exciting and rewarding event for students, parents, the Ridgeview community, and Bakersfield. This event offers a prime opportunity to showcase your support for students in our community with Advertisements and Announcements in The Howl program.

With such a busy schedule this school year, your help is greatly needed. We will all reap the harvest of these events in more ways than we can possibly measure. The benefit and notoriety that comes to our students from your support will make such a powerful impact on their young lives.

Thank you for your consideration of support for the RHS music programs. I look forward to hearing from you soon. Contact me for additional information.

Sincerely,

Robert Martens
